Table of Contents

Priority 1: To improve literacy skills of students.

Goal: Omaha High School will improve reading comprehension and writing skills in the areas of content, style, and practical passage (open response).

Priority 2: To improve math skills.

Goal: Omaha High School will improve students' abilities to solve problems and to improve their skills in math and algebra operations.

Priority 3: Safe and Drug Free Schools

Goal: Omaha High School will provide a safe, well-disciplined, and drug free environment conducive to student academic achievement.

Priority 4: Wellness Policy

Goal: Omaha High School will offer opportunities for students and their families to educate themselves on healthy lifestyle choices to increase education of families and the community in the area of total wellness. This healthy lifestyle initiative will continue throughout the 2013-2014 school year.

Priority 1: Omaha High School will improve literacy skills.

1. Needs Assessment: After examining the data for the last three years of EOC Literacy Assessments, the number of students who are not proficient decreased 24% from 2011-2012, and then increased 14% from 2012-2013. Scores were as follows: In 2011, 45% of the combined population were not proficient, in 2012 21% of the combined population were not proficient, and in 2013 35% of the combined population were not proficient.
2. Needs Assessment: The data trends indicate a weakness in practical reading and response. The content and style writing domain was also a noted area of weakness on the EOC Literacy exam.
3. Needs Assessment: After examining the data from the last three years of ACTAAP 7th and 8th grade results, 7th grades students who were not proficient on the Literacy Benchmark decreased 24%. Scores were as follows: In 2011 36% of the combined population were not proficient, in 2012 17% of the combined population were not proficient, and in 2013 12% of the combined population were not proficient. 8th grade students who were not proficient on the Literacy Benchmark decreased 15%. Scores were as follows: In 2011, 28% of the combined population were not proficient, in 2012 16% of the combined population were not proficient, and in 2013 13% of the combined population were not proficient.
4. Needs Assessment: The graduation rate of students in Omaha High School has increased from an average of 80.8% in 2012 to 96.7% in 2013. This is an increase of 15.9% in the last two years.
5. Needs Assessment: Students taking the ACT for the past three years have increased their scores in Literacy (combined Reading and English) from an average of 21 in 2011 to 22 in 2013.

Supporting Data:

6. Needs Assessment: On the Diagnostic Reports from the Accelerated Reader Program, grades 7-12 average % correct 2011-2012 is 86%, 2010-2011 is 88% From 2011 to 2013 1% increased. The average book level has risen from a to a 5.2 in 2010-2011 to a 5.3 in 2011-2012.

Goal Omaha High School will improve reading comprehension and writing skills in the areas of content, style, and practical passage (open response).

Benchmark Omaha High School will meet the set AYP in Literacy as determined by the state. In the 2013 School year, OHS did meet AYP in literacy.

Benchmark In 2014, 75% of students taking the ACT will score 18 or better on the ACT literacy.

Intervention: Teachers will align literacy curriculum with the Arkansas Frameworks and the Common Core State Standards. Material, supplies, services, and resources will be provided to implement the alignment.

4. Needs Assessment: The graduation rate of students in Omaha High School has increased from an average of 71.4% in 2010 to 80.8% in 2012. This is an increase of 9.4% in the last three years.
 5. Needs Assessment: ACT scores for the past three years show a trend in which the average mathematics scores have increased 2.2% over the past three years. The average scores are as follows: 2011-19.4, 2012-18.1, 2013-21.6.
 6. Needs Assessment: The ACT company predicted that in 2013, 50% of students who to the ACT test from Omaha High School were considered ready of college-level Algebra. That is an increase of 29%, from the previous year, which was 21% in 2012.
- Goal Omaha High School will improve students' abilities to solve problems and to improve their skills in math and algebra operations.
- Benchmark Omaha High School did make AYP for the 2012-2013 school in the area of mathematics. 83% of students were proficient in EOC Algebra and 72% were proficient on the EOC Geometry. This goes above the AYP standard set for the state. Omaha High School will meet AYP in math for the 2013-2014 school year.

Intervention: Omaha High School will align the mathematics curriculum with the Common Core State Standards for appropriate grade levels.
