

Weather Emergencies

School will not be open when it is considered too dangerous for buses to travel. Announcements will be made through the courtesy of Harrison, Branson, and Springfield radio and television stations if school will be closed. No announcements will be made if school is to be in session. In cases of inclement weather during the school day, please keep tuned in to the local radio station for sudden announcements. PLEASE DO NOT TIE UP THE SCHOOL PHONE LINES. As soon as a decision is made, it will be announced.

Automatic notifications are sent based on the phone numbers provided. Text messaging is available (all applicable carrier fees apply). If you are not receiving notifications from the automated service, please contact the school to have your information added.

Snow Routes

Kevin Pearson, Transportation Director, and our drivers have developed snow routes and a time schedule for pick-up and delivery during times of inclement weather. These routes only cover major highways; therefore, you will have to meet the bus at a designated area and time. Having established these routes, we anticipate missing fewer school days. As always, the safety of our children is the school district's utmost concern.
